## João Luis D F Vianna

João Luis Vianna is a Medical Doctor and a lawyer, partner of Momsen, Leonardos & Cia, supervising patent prosecution within the Pharmaceutical and Biotechnology arts. Specialized in Internal Medicine in 1986, post-graduate in Immunopathology in 1988 in the Rio de Janeiro Catholic University (PUC), obtained a Masters Degree from Kings College, London, in Immunology in 1991. Research Fellow at the Lupus Research Unit, The Rayne Institute, St. Thomas' Hospital, London, from 1989 through 1991, funded by the Brazilian Government (CNPq), researched intensively into the "Antiphospholipid Syndrome", with several publications made in important scientific Journals (Vianna, JL).

Obtained his Law degree at Cândido Mendes University in Rio de Janeiro and was admitted to the Brazilian Bar in 1999.

Member of AIPLA, participating in the Biotechnology and Latin American Committees, also member of the AIPPI. Active participant in the Brazilian Intellectual Property Association (ABPI), having been the Coordinator of the Patent Committee for several years in the recent past. Also a member of the Brazilian Association of Patent & Trademark Attorneys (ABAPI).

His email address is [JLDFVianna@leonardos.com.br](mailto:JLDFVianna@leonardos.com.br)
